If you need to look at alternate airlines/flights, the arrival time must coordinate with the designated team flight time above. Private bus transfer from the Airport to the Sarstún clinic is arranged for the group and alternate flights/arrival times may make it impossible for you to rendezvous with the team.

CURRENT INBOUND TRAVEL REQUIREMENTS FOR COVID-19

Refuge International requires all Guatemala mission team volunteers to be fully vaccinated for COVID-19 prior to acceptance on the team.

As of April 30, 2022: the Guatemalan government will accept proof of completed vaccine status (last full-dose administered no less than two weeks prior to arrival) for entry into Guatemala (pre-flight testing is no longer required). Your team leader will send updated entry requirements as the date for the team's inbound flight approaches.

RETURNING TO THE UNITED STATES

FLIGHTS

Return flights should be booked for Saturday, August 20th or Sunday, August 21st (if you're choosing to stay the extra night in Antigua). There is an additional charge of \$75usd for the second night in Antigua, payable to Refuge International.

US ENTRY REQUIREMENTS (as of June 12, 2022)

The United States recently rescinded the need for pre-travel COVID-19 testing.

SHUTTLE TO THE AIRPORT

Your team leader will arrange shuttle transfer from the Antigua hotel to the Guatemala airport. The shuttle is a separate expense and ranges \$15- \$40usd, depending on number of volunteers going at the same time.

As soon as you make your flight arrangements, please send your complete inbound and outbound flight itinerary to kimberly@refugeinternational.com. Please include all flight connections.
