Private bus transfer from the Airport to the San Raymundo clinic is arranged for the group and alternate flights/arrival times may result in an additional transportation charge (at your expense).

If you choose to fly into Guatemala early and need overnight accommodations, a suggested list of hotels is provided on the next page (although you are free to stay at any hotel of your choice). You simply need to be back at the airport to meet up with one of the arriving designated flight groups to take our private transport to the San Raymundo site.

STAYING OVERNIGHT IN GUATEMALA CITY

If you are considering arriving in Guatemala City at a time other than the designated flight, here are some hotel recommendations. All offer a shuttle to/from the airport and are in safe neighborhoods. Overnight accommodations in Guatemala City are a personal expense and should be reserved directly with the hotel.

If you are considering other hotels in the Guatemala City airport area, we recommend you look only for those that offer airport transfer. Walking from the airport is not recommended, no matter how close a hotel looks on a map.
